**Result? You are being brainwashed by the ultra-liberal left with the help of the media and Hollywood.**

**Disney went full-on "gender" They will no longer welcome guests with the traditional "Welcome ladies and gentlemen, boys and girls" Why? Because 1% of the population dictates to the other 99% (that would be the vast majority) and corporate America falls for it.**

**So, the next time you are thinking Americans have changed and not in a good way, remember, it's fake. It's all a lie. Most people think just like you do but the media has clearly brainwashed Americans with constant broadcasting of "LIES".**
